Chemical Restraint Reduction

2.0 CEU Hours

Hartville Kitchen, July 28, 2011
\$45.00, 1:00 – 3:15

Presenters:

Thomas Conrad has over 20 year's experience treating older adults through Occupational Therapy. He has presented for many organizations at both the state and local levels. Mr. Conrad has creative ideas and a compassionate approach to caring for those with dementia and other cognitive impairments.

In addition to presenting to nursing homes throughout Ohio, he has recently presented for The Alzheimer's Association, and the Ohio Occupational Therapy Association State Conference.

Any questions please call:

Linda Vogel at 1.800.421.7277,
Ext. 5227 or email
lvogel@services4aging.org

In order to comply with the State of Ohio Counselor and Social Worker Board, late arrivals will not be admitted. Certificates issued at the end of the seminar only.

Purpose:

Chemical restraint reduction modifies the environment to manage the behavior of a person rather than medicating the behavior to fit the environment. This seminar looks at recommendations to reduce or discontinue the use of psychotropic drugs, and ensure each psychotropic drug has a specific diagnosis link.

Hartville Kitchen
1015 Edison St., NW
Hartville, Ohio

Directions:

Interstate 77 to Massillon Rd. (241) exit. North on Massillon Rd. Turn right on 619 (Edison St). The Hartville Kitchen will be about 6 miles from Massillon Rd. on the left.
